Card Number _____ Expiration Date _____

Credit Card Billing Address (if different from above) _____

Name as it appears on card (please print) _____ Signature _____

Matching Gifts:

Many employers will match charitable contributions made by their employees and employee spouses or retirees. Find out if your company has a matching gift policy by entering your employer's name at the UA Foundation website: http://www.uafoundation.org/guide/annual_giving/corporate_matching.shtml. If you confirm that your company is eligible, fill out a form available from your employer and send it to the UA Foundation with your gift. They will do the rest. For more information, contact your employment's human resources office or the University of Arizona Foundation services at <http://www.uafoundation.org/> or email at frontdesk@uafoundation.org.

My gift will be matched. Company name _____

Please mail this form to:

Biosystems Engineering Dept

P.O. Box 210038

Tucson, AZ 85721-0038

Please visit <https://be.arizona.edu/content/support-be> to make your gift online.

Email be@email.arizona.edu with questions or for additional information.

Your gift to the University of Arizona Foundation is tax deductible to the extent allowed by law according to section 501(c)(3) of the Internal Revenue Code.

Thank you for your generosity!

Scholarships (7)		7
Name	Description	Undergrad/ Grad
ABE Centennial Scholarship	The account will be used for the Ag & Biosystems Engineering department to conduct centennial events, support BE student groups for homecoming, symposiums, etc.	Both
ABE Faculty Scholarship	Recipients must be exceptional graduate or undergraduate students, enrolled full time in ABE. Preference may be given to students with financial needs	Both
Ag Irrigation Engineering	Original intent was for a graduate fellowship; "until such time that the funds can be utilized effectively for graduate fellowships, that part of the funds be utilized to provide scholarships for undergraduate students with preference to upper division students."	Graduate
Biosystems Engineering General Scholarship	Students in the Department of Biosystems Engineering.	Both
Kenneth A. Jordan Scholarship <i>[Former faculty member]</i>	Support student scholarships in ABE. Preference may be given to continuing undergraduates showing academic promise or financial need.	UG
