As a NAWT OWTS Certified Inspector I understand that I am a “NAWT Member” and as such, I agree and pledge to fully apply the NAWT OWTS Inspection Standards (“NAWT Standards”) for every inspection that I represent to the client or any other party as an “NAWT OWTS Inspection”. I agree and pledge to comply with the NAWT Code of Ethics. I recognize that failure to comply with the NAWT Code of Ethics or a misrepresentation of the inspection provided can result in my becoming a “member not in good standing” and being removed from the NAWT OWTS Certified Inspector rolls on the website, until such time as indicated by the NAWT Ethics Review Board.

NAWT expects all inspectors to conduct their business in an ethical manner. NAWT OWTS Certified Inspectors choosing not to perform an NAWT OWTS Inspection per the NAWT Standards may not display the NAWT logo/text in their report. NAWT OWTS Certified Inspectors, who perform a non-NAWT OWTS Inspection shall include a statement in their report that indicates that the inspection does not comply with NAWT OWTS Inspection Standard procedures.

My signature signifies my acceptance and agreement to be legally bound by the above pledges and agreement.

I certify that I have completed the necessary NAWT OWTS Inspection Training on _____ and that I am, to the best of my knowledge and belief, eligible to complete the certification exam.
