Pumps, Siphon, Flouts®, Floats, Check Valve/Purge Hole, Electrical Components, and Alarms are included in the Initial and Advanced Component checklist

Comments or Explanation of any Unacceptable ratings: _____

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's part of a bound notebook.

Use the back of the sheet for more comments or explanations

Use one form for each Distribution Component

Utilize and/or Provide copies of any proprietary Distribution component inspection checklist if available
